## Application for Photovoltaic Plan Review

*On December 9th, 2022 Massachusetts adopted NFPA 1, 2021 Edition, with Massachusetts Amendments. There were significant changes made to Chapters 11 and 52 regarding Photovoltaic (PV) Systems both with and without battery storage. ALL PV systems permitted after 12/9/22 shall follow this code and are to be reviewed by the AHJ of the Fire Department before installation.*
